Head Start Gearing up to Begin Summer Cohort

The Northern Montana Child Development Center Head Start's Summer Cohort begins on June 13th. This session runs until July 21st and will serve 16 children. Children enrolled in the Summer Cohort program are either entering kindergarten for the 2022-2023 school year or have an IEP.

The Summer Cohort classroom has many fun activities for the students planned including a field trip to the Wahkpa Chu'gn Buffalo Jump in Havre.

The Summer Cohort program began in 2020 and was originally created to make up for the time classrooms were closed during the COVID-19 pandemic.
